Cradle to Grave?

Directions Working in a small group, review the information in your textbook about the cradle-to-grave system of benefits in Scandinavia. Use the table below to record pros and cons about such systems. Decide as a group whether you are in favor of them. Then on a separate sheet of paper, draw a political cartoon to illustrate your opinion.

Pros of Cradle-to-Grave Systems	Cons of Cradle-to-Grave Systems

Group Decision On the lines below, explain whether or not you are in favor of cradle-to-grave systems and why.
