

# **Yearbook 2016-2017**

Parents and Students,

Thank you so much for being interested in creating the yearbook this year. I am happy to see so many students that want to be involved in creating memories for their peers. Because of the high amount of interest of students that want to be involved, I am sending out a parent consent form for parents and students to sign. All students and parents need to be aware of the amount of time that it takes to put the yearbook together. So far this year we have had several students already taking pictures and that is great. But it will require time outside of the classroom and the normal school day as well.

There are areas that we will need to be in charge of getting pictures such as: MOSS, Rake- Up Boise, Boy and Girl Scouts, Hallissey, 5<sup>th</sup> and 6<sup>th</sup> grade Basketball, the Pocatello Tournament, etc. These are only a few that we will need to be responsible for.

I am asking that all students who want to be part of yearbook sign the contract and make that commitment to creating the yearbook. I know we all love taking pictures during school but that is not our only responsibility as the yearbook staff.

Parents I am asking that you also sign to be aware of the commitment that your student is making.

I look forward to a great year!
